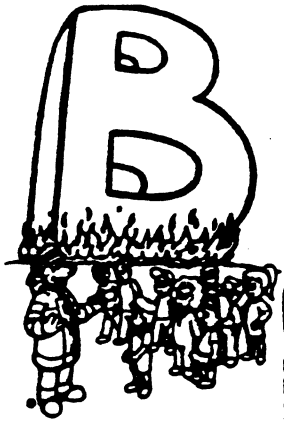
Sparky's ABCs of Fire Safety

When you hear a fire Alarm, get out fast. Get out and stay out!

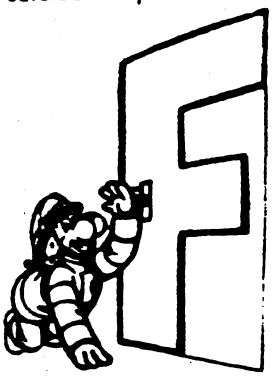


Big fires start small. A fire can grow quickly and get out of control.

In an emergency, Call the fire department from a neighbor's or outside telephone.

Let's hear it for fire safety. Test your smoke Detectors once a month.

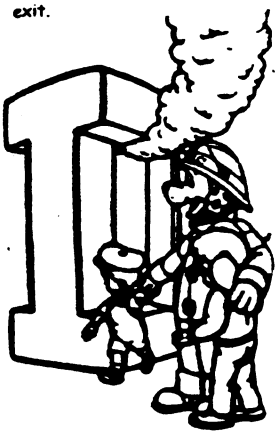
If you hear a smoke detector, that means Escape quickly.



If you exit through a closed door, Feel the door with the back of your hand. If it is warm, use your second way out. If it is cool, brace your shoulder to the door and open it carefully. Go quickly to your exit.

Get out and stay out. Once you are out of a burning building..... stay out!

Never Hide when the smoke alarm sounds. Get out of the building quickly.



Never stay Inside when a smoke alarm sounds. Get out of the building quickly.
