

# Sparky's ABCs of Fire Safety

When you hear a fire Alarm, get out fast. Get out and stay out!

Big fires start small. A fire can grow quickly and get out of control.

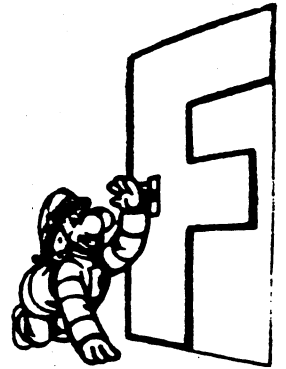

In an emergency, Call the fire department from a neighbor's or outside telephone.

Let's hear it for fire safety. Test your smoke Detectors once a month.

If you hear a smoke detector, that means Escape quickly.

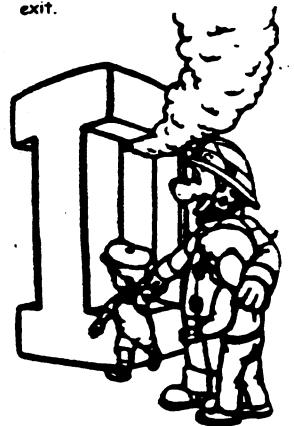

If you exit through a closed door, Feel the door with the back of your hand. If it is warm, use your second way out. If it is cool, brace your shoulder to the door and open it carefully. Go quickly to your exit.

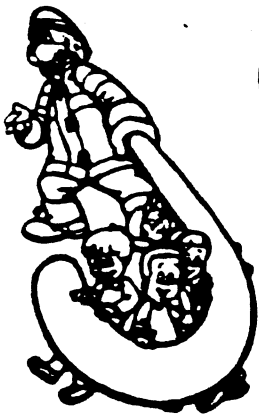

Get out and stay out. Once you are out of a burning building..... stay out!

Never Hide when the smoke alarm sounds. Get out of the building quickly.

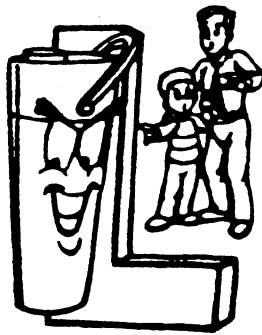

Never stay Inside when a smoke alarm sounds. Get out of the building quickly.

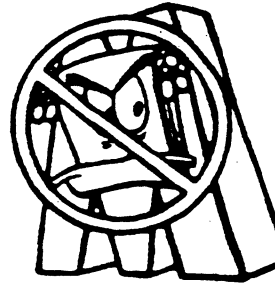

Join Sparky's fire prevention team and learn how to be safe from fire and burns. Learn Not to Burn® -it really works!

Keep matches and lighters out of the reach of children. up high in a locked cabinet.

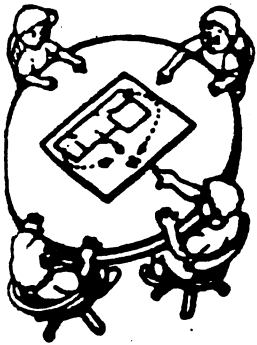

If you see a lighter or matches lying around, tell a grown-up to keep them out of the reach and sight of children. Children over age 7 can be taught to give lighters and matches to a grown-up.

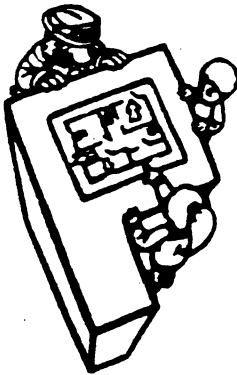

Matches and lighters are tools for grown-ups only. Children should not use them.

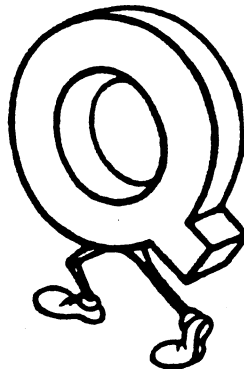

Kitchen appliances, space heaters and gasoline cans are for grown-ups only. Never play with them.

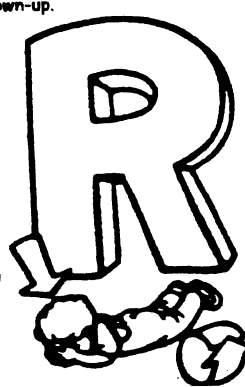

Organize your family to make a home escape plan showing all the doors and windows in your home.

A home escape plan shows all the doors and windows in a home. Plan two ways out of every room and a special meeting place outside. Practice your home escape

When the smoke alarm/detector sounds, get out quickly.

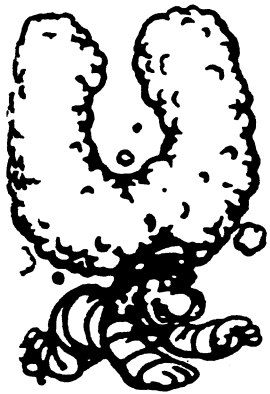

If your clothes catch fire, stop, drop and Roll and roll and roll. Roll over and over back and forth until the fire is out. Get help from a grown-up.

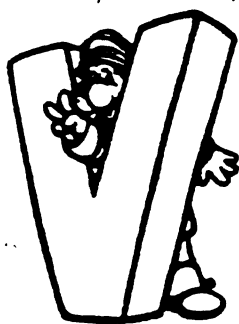

Stop, drop and roll over and over and back and forth if your clothes catch fire. Get help from a grown-up.

Always know Two ways out of every room- at your home, school, place of worship and everywhere.

If you must exit through smoke to escape from a fire, crawl low Under the smoke to your exit.

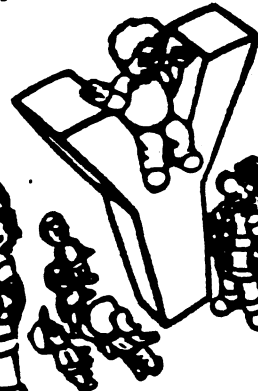

Volunteer to help Sparky spread the word about fire and burn safety.

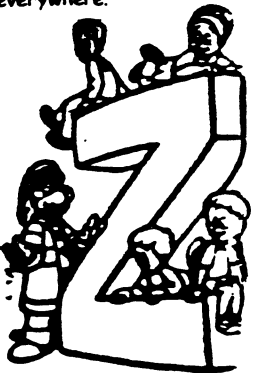

You're gonna Win with fire and burn safety!

Check for EXIT signs when you are in a public building so you'll know where to go in case there's a fire.
