

FREE Life Safety Skills Training **February 18, 25 and March 3, 2012**

REGISTER NOW! CLASS SIZE IS LIMITED!

Following a major disaster, emergency first responders will not be able to meet the demand for emergency services. People will have to depend on each other for help in order to meet their immediate life saving and life sustaining needs.

CERT training is about Readiness, "Neighbor helping Neighbor", Personal Safety, and doing the Greatest Good for the Greatest Number.

CERT is a positive and realistic approach to emergency and disaster situations where community members will be initially on their own and their actions can make a difference!

Through the CERT training program, the City of Norwalk vows to educate and provide Life Safety Skills to ensure the safety and welfare of Norwalk residents, students, business members, and visitors.

Program participants will experience **FREE** hands-on training in the areas of:

- Module 1** Disaster Preparedness
- Module 2** Fire Safety
- Module 3** Disaster Medical Operations Part I
