SOLEDAD FIRE REPOPULATION ANNOUNCEMENT

WHAT: Repopulation of the evacuated areas affected by Soledad Fire

WHEN: July 6, 2020 2:00 P.M.

WHERE: All areas to be repopulated

AREAS REPOPULATED AS OF 2:00 P.M.:

Beginning at 2:00 p.m., residents can begin repopulating all evacuated areas from Agua Dulce Canyon Road to Briggs Edison Road and Soledad Canyon Road to the SR-14. Only residents will be allowed back into the area with proper identification. The Los Angeles County Sheriff Department will be monitoring the area and assist with repopulation efforts. The Red Cross temporary evacuation point at Victory Outreach, 37419 25th Street East, Palmdale, CA 93550, will close at 4:00 p.m.

NOTES: There are many hazards that can exist when returning to your home after a wildfire. These hazards can include fire ash, damaged utilities, exposed and burnt out structures, as well as hazardous materials left from cleaning supplies, batteries, and paint. To protect yourself from these hazards, it is important to utilize personal protective equipment that can include breathing protection (N-95 rated respirators), protective clothing, gloves, and boots, as well as eye/face protection in the form of glasses. Review our "How to Safely Re-enter Areas Burned by Wildfire" for more information.
