

BOBCAT FIRE

COMMUNITY-SPECIFIC INFORMATION

This document is intended to provide you with information specific to the communities currently affected by the Bobcat Fire, and only includes areas under the jurisdiction of the Los Angeles County Fire Department (LACoFD).

ALTADENA

- Evacuation **Warning**: All areas of Altadena that are north of Woodbury Drive and New York Drive, and east of the Hahamongna Watershed Park.

LITTLEROCK and WEST OF LITTLEROCK

- Evacuation **Warning**: South of Highway 138, north of Weber Ranch Road, east of Cheseboro Road, and west of 87th Street E.
- Evacuation **Warning**: South of Pearblossom Highway, south and east of Highway 122 (Sierra Hwy/Pearblossom), north and west of Mount Emma Road, west of Cheseboro Road, north and east of Angeles Forest Highway.

JUNIPER HILLS/PEARBLOSSOM/VALYERMO/LLANO/CRYSTALAIRE

- As of 1:00 pm on Wednesday, September 23, 2020, the following areas transitioned from an Evacuation **Order** to an Evacuation **Warning**:
 - North of Fort Tejon Road, east of 87th Street E., west of 121st Street E., and south of Avenue V.
 - South of Highway 138, east of 155th Street E., west of 165th Street E., and north of E. Avenue W-14.
 - South of Highway 138, east of Largo Vista Road, west of 263rd Street E. (county line), and north of Big Pines Highway.

These areas will be a **Residents Only** opening, and those who live in these areas and show proper identification will be able to return home. We ask for your patience as Law Enforcement and other officials relocate the closures further south.

Note: The area south of Highway 138, east of 121st Street E., west of 155th Street E., and north of Fort Tejon Road and E. Avenue W-14 is currently open with no residents only restriction.

- The area south of Fort Tejon Road and E. Avenue W-14, east of 87th Street E., and west of 165th Street E. will remain under Evacuation **Order** at this time.
- The area south of Highway 138, east of 165th Street E., west of Largo Vista Road, and north of the forest will also remain under Evacuation **Order** at this time.
- A map showing all areas under Evacuation Orders and Warnings can be viewed by clicking [here](#). This map is updated as changes occur.

BOBCAT FIRE

COMMUNITY-SPECIFIC INFORMATION

OCCUPANT SUPPORT PROGRAM

We are currently planning our **Occupant Support Program**, which will allow residents in the fire affected areas an opportunity to be escorted into the area to survey their properties and conduct some initial salvage operations or attempt to retrieve any personal belongings.

Firefighters are currently working in this area to ensure that residents who will be escorted in will be doing so in the safest possible manner. Assistance to residents will be provided by your local firefighters and the Antelope Valley CERT Team. Services and/or information will also be available from the American Red Cross and the Los Angeles County Office of Emergency Management.

- This program will be offered in stages, and boundaries and dates for each stage will be posted here as they are determined.
 - This program will begin with the western part of Juniper Hills and then continue east.
- **This program is being planned to begin on Thursday, September 24, 2020 and continue through Sunday, September 27, 2020.**
 - **Thursday, September 24, 2020**
9:00 a.m. to 2:00 p.m.
Meeting location: Juniper Hills Community Center
31401 106th Street E.
Littlerock
 - Area:
 - North of Pleasant View Ridge
 - South of Fort Tejon Road
 - East of 94th Street E. and Alimony Road
 - West of 106th Street E.
 - **Residents must show identification to receive an escort into the area** (e.g., Driver License, utility bill, etc.)
 - **This program is limited to the residents of the homes; we appreciate your cooperation and understanding.**
 - **In accordance with COVID-19 requirements, facial coverings are required as well as 6 feet of physical distancing.**
- We will update this page as to meeting location, times, and area (geographical boundaries). Each day will have a different area and, potentially, a different meeting location.
