- A map showing all areas under Evacuation Orders and Warnings can be viewed by clicking [here](#). This map is updated as changes occur.

OCCUPANT SUPPORT PROGRAM

We are currently planning our **Occupant Support Program**, which will allow residents in the fire affected areas an opportunity to be escorted into the area to survey their properties and conduct some initial salvage operations or attempt to retrieve any personal belongings.

BOBCAT FIRE

COMMUNITY-SPECIFIC INFORMATION

Firefighters are currently working in this area to ensure that residents who will be escorted in will be doing so in the safest possible manner. Assistance to residents will be provided by your local firefighters and the Antelope Valley CERT Team. Services and/or information will also be available from the American Red Cross and the Los Angeles County Office of Emergency Management.

- This program will be offered in stages, and boundaries and dates for each stage will be posted here as they are determined.
 - This program will begin with the western part of Juniper Hills and then continue east.
- **This program will run Thursday, September 24, 2020 through Sunday, September 27, 2020.**
 - **Thursday, September 24, 2020:** We completed the Occupancy Support Program covering the areas of:
 - North of Pleasant View Ridge
 - South of Fort Tejon Road
 - East of 94th Street E. and Alimony Road
 - West of 106th Street E.
 - **Friday, September 25, 2020**
9:00 a.m. to 12:00 Noon
Meeting location: Juniper Hills Community Center
31401 106th Street E., Littlerock
 - Area:
 - North of McFarland Ranch
 - South of Fort Tejon Road
 - East of Longview
 - West of Devil's Punchbowl
 - **Residents must show identification to receive an escort into the area** (e.g., Driver License, utility bill, etc.)
 - **This program is limited to the residents of the homes; we appreciate your cooperation and understanding.**
 - **In accordance with COVID-19 requirements, facial coverings are required as well as 6 feet of physical distancing.**
- We will update this page as to meeting location, times, and area (geographical boundaries). Each day will have a different area and, potentially, a different meeting location.
