IS PROMISING TO STAY SAFE AT NIGHT BY CLOSING THE DOOR

Fold at the dotted line to close your door.
Closing your door at night will help keep you safe from fire and smoke.

A closed door is a powerful tool that can do so many things, like:

1. Stop a fire from growing and spreading
2. Help keep smoke and heat out
3. Help keep your home (and all your stuff) safe
4. Keep the temperature down
5. Save your life
