

**COMMUNITY EMERGENCY RESPONSE TEAM (CERT) TRAINING  
LA CAÑADA FLINTRIDGE  
CLASSES BEGIN WEDNESDAY, APRIL 6, 2022**

Following a major disaster, police, fire and medical professionals may not be able to meet the demand for emergency medical attention. Residents and neighbors may need to rely upon one another to help with immediate life saving needs, particularly in isolated neighborhoods that may be cut off from the main roads.

The Los Angeles County Fire Department Community Emergency Response Team (CERT) training was developed through FEMA to provide basic fire safety and life saving skills.
