

County of Los Angeles Fire Department Community Survey

Help the County of Los Angeles Fire Department build safer, more resilient communities by completing the **Safety, Health, Information, Education, Local, Development (SHIELD)** community survey today.

We want to understand the specific risks residents face so we can better protect you. Your insights are invaluable to our community risk reduction strategies and public education efforts.

Thank you in advance for completing this brief and anonymous one- to three-minute survey and helping us to strengthen community safety!
